### Summary

Dedicated and proactive problem solver aspiring to contribute as a junior Front-End Developer. With a keen focus on time management and a relentless work ethic, I am poised to become a proficient Web Developer and a softer ware Engineer. I'm eager to bring my positive energy, collaborative spirit, and commitment to leverage this opportunity to acquire new skills, share knowledge, and realize my professional goals.

### Experience

#### PROLEK

**01/2023 - 09/2023**

##### Part Time

As part of my part time position, I assisted subcontractors with the installation of Solar panels, inverters, batteries and LED lights.

#### Gardener - Part-time

**2022(DEC) – current**

At the Etsebeth home. My duties are to clean their yard: Get rid of any weeds growing Plant and take care of their garden Organize the tools in the garage making sure they are ready to be used on sites.

#### Construction (Part time)

**2023-2024**

Worked with professional break layers. Assisted with renovations, applying stone, poolside walls Digging a new waterway at a farm in Stellenbosch.

#### Gardening assistant

**2023 - Part-time**

I worked with various gardeners and assisted them in the garden. Clearance of weeds and overgrown flowers Planted new ones for a fresher better look at the garden.

#### Delivery Assistant

**2023 - Part-time**

Worked with an entrepreneur who owns a furniture company. My role was to assist him in load the equipment and to deliver the equipment to various buyers.
